Ring wants to help reduce crime and increase safety in Clearwater.

Ring is excited to propose a solution to the Clearwater Police Department to help reduce crime and assist with investigations in your community.

Program Description

This program will provide the Clearwater Police Department access to the Ring Neighborhoods platform to communicate with Ring Neighbors, view Neighbor supplied video, determine general camera density/location and encourage community engagement as we work together to make Clearwater neighborhoods safer.

- The Ring Neighborhoods platform is a digital neighborhood watch that both law enforcement and the public can access free of charge by downloading the Ring mobile app (iOS and Android).
- The app allows Ring Neighbors to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Clearwater Police Department may:
 - Utilize the critical crime and safety events that are posted in the app by neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep neighbors informed regarding issues in their neighborhoods.

Responsibilities

Ring Will:

- Make the Ring app available to Clearwater Police Department free of charge.
- Donate Ring cameras to area of Clearwater residents based on the number of qualifying downloads of the app that result from the program. Each qualifying download will count as \$10 towards these free Ring cameras. Ring will seed the program with an initial donation of (10 per 100,000 residents) Ring cameras.
- Make the Ring Neighborhoods portal available to Clearwater Police Department, free of charge, including support and training for Clearwater Police Department employees.
- Work with Clearwater Police Department to obtain Clearwater Police Department data/call logs and publish the relevant incidents in the app based on terms agreed with Clearwater Police Department.

Clearwater Police Department will:

- Engage the Clearwater Police Department community with outreach efforts on the platform to encourage adoption of the platform/app.
- Choose how the free Ring cameras should be distributed.
 - Ring will directly distribute these cameras to the local community, with input from Clearwater Police Department.
- Maintain appropriate access controls for Clearwater Police Department personnel to use the Ring Neighborhood Police portal.
- Make data related to Clearwater Police Department incidents/call logs available to Ring on a mutually agreed upon basis.
- Have the option, but no obligation, to participate in a subsidized camera program.

Term

Clearwater Police Department participation in the program shall commence upon Clearwater Police Department acceptance of these program terms. Either party may terminate Clearwater Police Department participation in the program at any time upon providing written notice to the other party. The Ring Neighborhoods Portal will be available to Clearwater Police Department by 4/23/18

Press Release

The parties shall agree to a joint press release to be mutually agreed upon by the parties.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Clearwater Police Department without the prior consent of the owner. Clearwater Police Department agrees not to use the Ring Neighborhoods Police Portal other than as expressly authorized by Ring and other than in connection with bona fide Clearwater Police Department business. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Ring app and Neighborhoods Police Portal.

Compensation

At no point, shall either party receive compensation from each other as a result of this program.

About Ring

Ring is on a mission to reduce crime in neighborhoods. With a Ring Video Doorbell at your door and Security Cameras around the home, you can create a Ring of Security around your entire property and stop crime in its tracks.

Ring Video Doorbells and Security Cameras send you instant alerts on your phone, tablet and PC whenever motion is detected. Answer the alert, and you can see, hear and speak to people on your property from anywhere. If you catch something suspicious, Ring Neighborhoods also lets you share the videos with neighbors and local law enforcement, so you can all work together to reduce local crime.

IMPORTANT NOTICE: THIS AGREEMENT IS SUBJECT TO BINDING ARBITRATION AND A WAIVER OF CLASS ACTION RIGHTS AS DETAILED IN THE DISPUTE RESOLUTION SECTION.

Terms of Service

This website is owned and operated by Ring Inc. and its subsidiaries and affiliates (collectively “Ring,” “we,” “us,” or “our”). These Terms of Service (“Terms”) and our Privacy Notice govern your legal rights to use or access our services, software, mobile application, and our websites (the “Services”) and Ring hardware products or devices (“Products”). Please read these Terms and our Privacy Notice carefully before using the Products or Services. By using or accessing our Products or Services, you signify your acknowledgement and assent to the terms and conditions of use set forth below and our Privacy Notice, which is hereby incorporated by reference. These Terms and the Privacy Notice (together with other user agreements, where applicable) constitute a binding legal agreement between you and Ring (this “Agreement”). Please read these Terms closely because they contain important information about automatic renewal, a class action waiver, and an arbitration provision, requiring you to arbitrate any claims you may have against Ring on an individual basis. Please follow the instructions in the Dispute Resolution section below if you wish to opt out of the arbitration provision. ARBITRATION ON AN INDIVIDUAL BASIS MEANS THAT YOU WILL NOT HAVE, AND YOU WAIVE, THE RIGHT FOR A JUDGE OR JURY TO DECIDE YOUR CLAIMS, AND THAT YOU MAY NOT PROCEED IN A CLASS, CONSOLIDATED, OR REPRESENTATIVE CAPACITY.

*If you do not agree with these Terms, please do not use our Products or Services. *

GENERAL

This Agreement represents the entire understanding relating to your use of the Products and Services and prevails over any prior or contemporaneous, conflicting or additional communications between you and Ring. All rights not expressly granted herein are reserved by Ring.

Specific areas or pages of our websites may include additional or different terms relating to the use of our Products or Services. In the event of a conflict between such specific terms and these Terms, the specific terms shall control.

The term “you,” as used in these Terms, includes any person or entity who is the owner of the Product and creates an account associated with the Product (“Owner”), as well as any person or entity authorized to access or use the Owner’s Products and Services (“Authorized Users”). Authorized Users are responsible for their own actions in connection with the Products and Services, but Owner hereby agrees to be fully responsible for all actions taken by Authorized Users relating to the Owner’s Products, Services and account. As a result, if you are an Owner, you should authorize only those individuals that you trust to access your account, Products, and Services.

You represent and warrant that you are of legal age in your jurisdiction to form a binding contract (or if not, that you are over the age of 13 and you’ve received your parent’s or guardian’s permission to use the Services and gotten your parent or guardian to agree to these Terms on your behalf).

If you’re agreeing to these Terms on behalf of an organization or entity, you represent and warrant that you are authorized to agree to these Terms on that organization or entity’s behalf and bind them to these Terms (in which case, the references to “you” and “your” in these Terms, except for in this sentence, refer to that organization or entity).

CHANGES TO THIS AGREEMENT AND SERVICES

Except as set forth in the Dispute Resolution section, Ring is free to revise these Terms or any other part of this Agreement at any time by updating this page. If we make changes to these Terms that we consider material, we will make reasonable efforts

notify you by placing a notice on the ring.com website, notifying you through the Services, by sending you an email, and/or by some other means. By continuing to use our Services after such changes, you are expressing your acknowledgement and acceptance of the changes. Please check these Terms periodically for updates.

We're always trying to improve the Products and Services, so they may change over time. We may suspend or discontinue any part of the Services, or we may introduce new features or impose limits on certain features or restrict access to parts or all of the Products or Services. Similarly, we reserve the right to remove any Content from the Services at any time, for any reason, in our sole discretion, and without notice.

We are also free to terminate (or suspend access to) your use of the Services or your account, for any reason in our discretion, including your breach of these Terms. We have the sole right to decide whether you are in violation of any of the restrictions set forth in this Agreement.

ACCESS AND USE; GUIDELINES FOR INSTALLATION AND USE

All right, title and interest in the Services and our content provided through the Products and Services (including without limitation information, documents, logos, graphics, designs and images) are owned by Ring, its licensors, or designated third parties. Subject to these Terms, Ring grants you a limited, non-transferable, non-exclusive right to access and use the Services for the sole purpose of monitoring and controlling the Products installed on your property and solely for your personal, non-commercial use.

Privacy and other laws applicable in your jurisdiction may impose certain responsibilities on you and your use of the Products and Services. You agree that it is your responsibility, and not the responsibility of Ring, to ensure that you comply with any applicable laws when you use the Products and Services, including but not limited to:

- (1) any laws or regulations relating to the recording or sharing of video or audio content, and/or (2) any laws or regulations requiring that notice be given to or that consent be obtained from third parties with respect to your use of the Products or

Services.

In addition, you agree (a) that installation of any Product which takes visual and/or audio recordings will be installed at such an angle that it does not take any recordings beyond the boundary of your property (including public pavements or roads); (b) to prominently display appropriate signage advising others that audio/visual recording is taking place; and (c) if you use your property as a workplace, to comply with laws governing the monitoring of employees.

If your use of the Services or any Products is prohibited by applicable laws, then you aren't authorized to use the Services. We can't and won't be responsible for your using the Services or any Products in a way that breaks the law.

You may be required to sign up for an account, and select a password and user name ("User ID"). You promise to provide us with accurate, complete, and updated registration information about yourself. You may not select as your User ID a name that you don't have the right to use, or another person's name with the intent to impersonate that person. Also, you will not share your account or password with anyone, and you must protect the security of your account and your password. You're responsible for any activity associated with your account.

You represent, warrant, and agree that you will not capture or contribute any Content (as defined below) or otherwise use the Services or Products or interact with the Services or Products in a manner that:

1. Infringes or violates the intellectual property rights or any other rights of anyone else (including us);
2. Violates any law, ordinance, or regulation, including privacy and other laws referenced above and any applicable export control laws;
3. Is harmful, fraudulent, deceptive, threatening, harassing, defamatory, obscene, or otherwise objectionable;
4. Jeopardizes the security of your Ring account or anyone else's (such as allowing someone else to log in to the Services as you);
5. Attempts, in any manner, to obtain the password, account, or other security information from any other user;
6. Violates the security of any computer network, or cracks any passwords or security encryption codes;
7. Runs Maillist, Listserv, any form of auto-responder or "spam" on the Services, or any processes that run or are activated while you are not logged into the Services, or that otherwise interfere with the proper working of the Services (including by placing an unreasonable load on the Services' infrastructure);
8. "Crawls," "scrapes," or "spiders" any page, data, or portion of or relating to the Services or Content (through use of manual or automated means);
9. Copies or stores any significant portion of the Content; or
10. Violates the Ring Neighborhoods Community guidelines, which are hereby incorporated by reference.

A violation of any of the foregoing is grounds for termination of your right to use or access the Products and Services.

TRADEMARKS AND COPYRIGHTS

Nothing on or in the Products or Services shall be construed as conferring any license under any intellectual property right, including any right in the nature of trademark or copyright, of Ring or any third party, whether by estoppel, implication or otherwise. All trademarks and trade names are the property of their respective owners.

Except as otherwise noted, Ring is the owner of all trademarks and service marks on or in the Products and Services, whether registered or not, including, without limitation, Ring®, Ring Protect™ and Ring Neighborhood™. Ring expressly forbids the unauthorized use of its logos, trademarks or other graphics to create links. All registered trademarks are registered in the United States of America (and/or other applicable jurisdictions).

What if I see something on the Services that infringes my copyright?

You may have heard of the Digital Millennium Copyright Act (the “DMCA”), as it relates to online service providers, like Ring, being asked to remove material that allegedly violates someone’s copyright. We respect others’ intellectual property rights, and we reserve the right to delete or disable Content alleged to be infringing, and to terminate the accounts of repeat alleged infringers. To review our complete Copyright Dispute Policy and learn how to report potentially infringing content, click [here](#). To learn more about the DMCA, click [here](#).

SHARED CONTENT

You may have the ability to publicly post or upload materials (including, without limitation, video, images, audio, commentary) (the “Content”) captured through or in connection with your use of the Products and Services.

You are solely responsible for all Content that you upload, post, email, transmit, or otherwise disseminate using, or in connection with, the Products or Services (including Content you share through the Ring Neighborhoods feature) (collectively, “Shared Content”). You represent and warrant that:

(a) you own the intellectual property rights in Shared Content posted by you or otherwise have the right to post the Content and grant the license set forth below, and (b) the posting and use of your Shared Content on or through the Services does not violate the privacy rights, publicity rights, copyrights, contract rights, intellectual property rights or any other rights of any person.

You hereby grant Ring and its licensees an unlimited, irrevocable, fully paid and royalty-free, perpetual, worldwide right to re-use, distribute, store, delete, translate, copy, modify, display, sell, create derivative works from and otherwise exploit such Shared Content for any purpose and in any media formats in any media channels without compensation to you. You shall not use, reproduce, modify, upload, publish, transmit, distribute, display, or otherwise exploit for any purposes whatsoever any Content: (i) not owned by you without the express prior written consent of the respective owners, and (ii) in any way that violates any third party right. Ring reserves the right, but shall not be obligated, to remove any Content from the Services at any time in its sole and absolute discretion. If you see Content that you believe violates our Terms, please flag it in our mobile application or report it to us by emailing abuse@ring.com.

RING PROTECT RECORDINGS AND NEIGHBORHOODS RECORDINGS

When you purchase our Products, you have the option of subscribing to a Ring Protect Subscription Plan (“Ring Protect Plan”). If you choose to subscribe to a Ring Protect Plan, it will automatically send to us for storage any video footage and/or audio recording captured by the Products installed on your property (“Ring Protect Recordings”), and allows you to later access your Ring Protect Recordings from your computers or compatible devices for a limited period of time after such Ring Protect Recording was created so long as you are enrolled in a Ring Protect Plan. Ring Protect Recordings that are deleted by you or your Authorized Users or that are deleted at the end of the storage period or due to the expiration of your Ring Protect Plan are no

longer available to you and cannot be recovered.

If you are not subscribed to a Ring Protect Plan, your Ring device will automatically record for the limited purpose of allowing you to publicly share any video footage and/or audio recording captured by the Products installed on your property with other users through the Ring Neighborhoods feature during an answered motion or ring (a “Neighborhoods Recording”). If you do not subscribe to a Ring Protect Plan and do not choose to share such Neighborhoods Recording through the Ring Neighborhoods feature at the time captured, such Neighborhoods Recording is deleted, cannot be recovered and is no longer available to you.

Deleted Ring Protect Recordings and unshared Neighborhoods Recordings are permanently deleted in the ordinary course.

FREE TRIAL AND SUBSCRIPTIONS

You may enjoy our Ring Protect Plan in the following ways:

Free Trial. When you first set up your Product, you will be automatically enrolled in a free thirty (30) day trial of the basic Ring Protect Plan. If you do not enter into a paid subscription for a Ring Protect Plan before the end of your trial period, your Ring Protect Recordings will be deleted.

Paid Subscriptions. When you first set up your Product through the Services, or at any time after you begin using your Product, you may enjoy our Ring Protect Plan by enrolling in our monthly or annual subscription plan, which will continue until you cancel your subscription. These subscription plans entitle you to access our Ring Protect Plan for each payment period until such subscription is cancelled. Your paid subscription will automatically commence on the first day following the end of your trial period, on a monthly or annual basis depending on your election when you first set up your Product. By submitting your payment details in conjunction with the trial, you agree to this charge. To avoid this charge, you must cancel your Ring Protect Plan either contacting us before the end of your trial period or discontinuing the Ring Protect Plan via the Ring website.

Subscription fees are billed or charged on the first day of the applicable subscription period. If any payment is returned unpaid or if any credit card or similar transaction is rejected or denied, Ring reserves the right to cancel your Ring Protect Plan subscription and to collect any rejection or insufficient funds fee and to process any such payment by the payment method you have submitted to us.

Auto-Renewal for Paid Subscriptions. Unless you opt out of auto-renewal, which can be done through your account settings by removing your payment information or by contacting us, any paid Services (for example, your Ring Protect Plan) you have signed up for will be automatically extended for successive renewal periods of the same duration as the subscription term originally selected, at the then-current non-promotional rate. To change or discontinue your paid Services at any time, go to account settings or contact us. If you terminate a paid Service, you may use your subscription until the end of your then-current term and your subscription will not be renewed after your then-current term expires. However, you won't be eligible for a prorated refund of any portion of the subscription fee paid for the then-current subscription period, except as set forth in the Refund Policy below. Your non-termination or continued use of a paid Service reaffirms that we are authorized to charge your payment method for that paid Service. We may submit those charges for payment and you will be responsible for such charges. This does not waive our right to seek payment directly from you. Your charges may be payable in advance, in arrears, or as otherwise described when you initially selected to use the paid Service.

RECORDINGS, SHARED CONTENT, AND PERMISSION FROM YOU

Ring does not claim ownership of your intellectual property rights in Ring Protect Recordings, Shared Content or Neighborhoods Recordings (collectively, the “User Recordings”). You own your User Recordings.

However, by purchasing or using our Products and Services, you give Ring the right, without any compensation or obligation to you, to access and use your User Recordings for the limited purposes of providing Services to you, protecting you, improving our Products and Services, developing new Products and Services, and as otherwise set forth in our Privacy Notice.

Additionally, by electing to publicly share your Shared Content (which includes your shared Neighborhoods Recordings), in addition to the license granted above, you give Ring the right, without any compensation or obligation to you, to access and use your Shared Content for the purposes of publicly sharing such recordings with current and future users and allowing those users to comment on the Shared Content. You also expressly consent and agree that Ring may share your Shared Content with any law enforcement agency that requests access to such Shared Content.

In addition to the rights granted above, you also acknowledge and agree that Ring may access, use, preserve and/or disclose your User Recordings and Shared Content to law enforcement authorities, government officials, and/or third parties, if legally required to do so or if we have a good faith belief that such access, use, preservation or disclosure is reasonably necessary to:

- (a) comply with applicable law, regulation, legal process or reasonable governmental request;
- (b) enforce these Terms, including investigation of any potential violation thereof;
- (c) detect, prevent or otherwise address security, fraud or technical issues; or
- (d) protect the rights, property or safety of Ring, its users, a third party, or the public required or permitted by law.

Deleted Content and User Recordings may be stored by Ring in order to comply with certain legal obligations and are not retrievable without a valid court order.

CANCELLATIONS, REFUNDS, AND PAYMENTS

Cancellation of Subscription Services

You may cancel your Ring Protect Plan by contacting us or through your Ring account, at any time, with or without cause. After your cancellation, you will continue to enjoy access to the Ring Protect Plan and your Ring Protect Recordings until the last day of your subscription period. After such subscription period ends, your Ring Protect Recordings will no longer be accessible to you.

Refund Policy

Product Refund. If, for any reason, you decide to return Product that you purchased

from us for a refund, you must notify us and return the Product to us within thirty (30) days from the date the Product was delivered. Unless the Product is faulty or not as described, you will be responsible for all costs associated with returning the Product to us (including uninstallation and the cost of shipping the Product back to us). We will refund the price you paid for the Product excluding original shipping charges.

Prorated Subscription Refund. If you cancel your annual Ring Protect Plan subscription at any time within the first ten (10) months of your subscription period, you will be charged the monthly subscription fee (i.e., for the monthly subscription plan) for each month of your annual subscription period prior to your cancellation, and you will be eligible for a refund for the remainder of your annual subscription fee. We will not issue a refund for any unused portion of your monthly subscription after the first ten (10) months of your subscription.

Incorrect Payments

If we charge less than the correct or advertised amount on a transaction, we have the right for thirty (30) days after the original transaction date, to complete subsequent transaction attempts in order to rectify the incorrect payment or to cancel the order. Should this occur, you have the right to reject such charge and cancel your original transaction for a full refund in accordance with our Refund Policy.

THIRD PARTY SERVICES

You may be allowed to access or acquire products, websites, applications, content or services from third parties ("Third Party Services") through our Services. A description or reference to any Third Party Service by or through our Services (including any description or reference via hyperlink) does not imply endorsement by Ring of such Third Party Service. These Third Party Services are the sole responsibility of such independent third parties, and your use thereof is solely at your own risk. Ring has no control over the content or policies of such Third Party Services, and we are not responsible for (and under no circumstances shall we be liable for) the contents, accuracy, reliability, quality or security of any such Third Party Service. Those who choose to access information provided by third parties (including any information obtained through our Services) are solely responsible for the compliance of such

information with any applicable law.

SOFTWARE UPDATES

From time to time, Ring may develop updates, upgrades, patches and other modifications to improve the performance of the Services and/or the Products or for other reasons in our sole discretion (“Updates”). You agree that Ring may automatically install such Updates without providing any additional notice to you or receiving any additional consent from you.

As a result, if you are an Owner, you should authorize only those individuals that you trust to access your account, Products, and Services.

You represent and warrant that you are of legal age in your jurisdiction to form a binding contract (or if not, that you are over the age of 13 and you’ve received your parent’s or guardian’s permission to use the Services and gotten your parent or guardian to agree to these Terms on your behalf).

If you’re agreeing to these Terms on behalf of an organization or entity, you represent and warrant that you are authorized to agree to these Terms on that organization or entity’s behalf and bind them to these Terms (in which case, the references to “you” and “your” in these Terms, except for in this sentence, refer to that organization or

RING PROTECT RECORDINGS AND NEIGHBORHOODS RECORDINGS

When you purchase our Products, you have the option of subscribing to a Ring Protect Subscription Plan (“Ring Protect Plan”). If you choose to subscribe to a Ring Protect Plan, it will automatically send to us for storage any video footage and/or audio recording captured by the Products installed on your property (“Ring Protect Recordings”), and allows you to later access your Ring Protect Recordings from your computers or compatible devices for a limited period of time after such Ring Protect Recording was created so long as you are enrolled in a Ring Protect Plan. Ring Protect Recordings that are deleted by you or your Authorized Users or that are deleted at the end of the storage period or due to the expiration of your Ring Protect Plan are no longer available to you and cannot be recovered.

If you are not subscribed to a Ring Protect Plan, your Ring device will automatically record for the limited purpose of allowing you to publicly share any video footage and/or audio recording captured by the Products installed on your property with other users through the Ring Neighborhoods feature during an answered motion or ring (a “Neighborhoods Recording”). If you do not subscribe to a Ring Protect Plan and do not choose to share such Neighborhoods Recording through the Ring Neighborhoods feature at the time captured, such Neighborhoods Recording is deleted, cannot be recovered and is no longer available to you.

Deleted Ring Protect Recordings and unshared Neighborhoods Recordings are permanently deleted in the ordinary course.

FREE TRIAL AND SUBSCRIPTIONS

You may enjoy our Ring Protect Plan in the following ways:

Free Trial. When you first set up your Product, you will be automatically enrolled in a free thirty (30) day trial of the basic Ring Protect Plan. If you do not enter into a paid subscription for a Ring Protect Plan before the end of your trial period, your Ring Protect Recordings will be deleted.

Paid Subscriptions. When you first set up your Product through the Services, or at any time after you begin using your Product, you may enjoy our Ring Protect Plan by enrolling in our monthly or annual subscription plan, which will continue until you

cancel your subscription. These subscription plans entitle you to access our Ring Protect Plan for each payment period until such subscription is cancelled. Your paid subscription will automatically commence on the first day following the end of your trial period, on a monthly or annual basis depending on your election when you first set up your Product. By submitting your payment details in conjunction with the trial, you agree to this charge. To avoid this charge, you must cancel your Ring Protect Plan by either contacting us before the end of your trial period or discontinuing the Ring Protect Plan via the Ring website.

Subscription fees are billed or charged on the first day of the applicable subscription period. If any payment is returned unpaid or if any credit card or similar transaction is rejected or denied, Ring reserves the right to cancel your Ring Protect Plan subscription and to collect any rejection or insufficient funds fee and to process any such payment by the payment method you have submitted to us.

Auto-Renewal for Paid Subscriptions. Unless you opt out of auto-renewal, which can be done through your account settings by removing your payment information or by contacting us, any paid Services (for example, your Ring Protect Plan) you have signed up for will be automatically extended for successive renewal periods of the same duration as the subscription term originally selected, at the then-current non-promotional rate. To change or discontinue your paid Services at any time, go to account settings or contact us. If you terminate a paid Service, you may use your subscription until the end of your then-current term and your subscription will not be renewed after your then-current term expires. However, you won't be eligible for a prorated refund of any portion of the subscription fee paid for the then-current subscription period, except as set forth in the Refund Policy below. Your non-termination or continued use of a paid Service reaffirms that we are authorized to charge your payment method for that paid Service. We may submit those charges for payment and you will be responsible for such charges. This does not waive our right to seek payment directly from you. Your charges may be payable in advance, in arrears, or as otherwise described when you initially selected to use the paid Service.

RECORDINGS, SHARED CONTENT, AND PERMISSION FROM YOU

Ring does not claim ownership of your intellectual property rights in Ring Protect

Recordings, Shared Content, or Neighborhoods Recordings. Collectively, the “User Recordings”). You own your User Recordings.

However, by purchasing or using our Products and Services, you give Ring the right, without any compensation or obligation to you, to access and use your User Recordings for the limited purposes of providing Services to you, protecting you, improving our Products and Services, developing new Products and Services, and as otherwise set forth in our Privacy Notice.

Additionally, by electing to publicly share your Shared Content (which includes your shared Neighborhoods Recordings), in addition to the license granted above, you give Ring the right, without any compensation or obligation to you, to access and use your Shared Content for the purposes of publicly sharing such recordings with current and future users and allowing those users to comment on the Shared Content. You also expressly consent and agree that Ring may share your Shared Content with any law enforcement agency that requests access to such Shared Content.

In addition to the rights granted above, you also acknowledge and agree that Ring may access, use, preserve and/or disclose your User Recordings and Shared Content to law enforcement authorities, government officials, and/or third parties, if legally required to do so or if we have a good faith belief that such access, use, preservation or disclosure is reasonably necessary to:

(a) comply with applicable law, regulation, legal process or reasonable governmental request; (b) enforce these Terms, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Ring, its users, a third party, or the public as required or permitted by law.

Deleted Content and User Recordings may be stored by Ring in order to comply with certain legal obligations and are not retrievable without a valid court order.

CANCELLATIONS, REFUNDS, AND PAYMENTS

Cancellation of Subscription Services

You may cancel your Ring Protect Plan by contacting us or through your Ring account, at any time, with or without cause. After your cancellation, you will continue to enjoy access to the Ring Protect Plan and your Ring Protect Recordings until the last day of your subscription period. After such subscription period ends, your Ring Protect Recordings will no longer be accessible to you.

Refund Policy

Product Refund. If, for any reason, you decide to return Product that you purchased from us for a refund, you must notify us and return the Product to us within thirty (30) days from the date the Product was delivered. Unless the Product is faulty or not as described, you will be responsible for all costs associated with returning the Product to us (including uninstallation and the cost of shipping the Product back to us). We will refund the price you paid for the Product excluding original shipping charges.

Prorated Subscription Refund. If you cancel your annual Ring Protect Plan subscription at any time within the first ten (10) months of your subscription period, you will be charged the monthly subscription fee (i.e., for the monthly subscription plan) for each month of your annual subscription period prior to your cancellation, and you will be eligible for a refund for the remainder of your annual subscription fee. We will not issue a refund for any unused portion of your monthly subscription after the first ten (10) months of your subscription.

Incorrect Payments

If we charge less than the correct or advertised amount on a transaction, we have the right for thirty (30) days after the original transaction date, to complete subsequent transaction attempts in order to rectify the incorrect payment or to cancel the order. Should this occur, you have the right to reject such charge and cancel your original transaction for a full refund in accordance with our Refund Policy.

JURISDICTION AND CHOICE OF LAW

Ring controls and manages the Services from its facilities in the State of California in the United States of America. Unless otherwise stated, materials and content on the Services are presented solely for promoting Products and Services in the United States of America. Information published on the Products and Services may contain references to products, programs and services that are not announced or available in your country or region. These Terms shall be governed by and construed in accordance with the laws of the State of California and the United States of America, without giving effect to any principles of conflicts of law.

DISPUTE RESOLUTION

Mandatory, Bilateral Arbitration and Waiver of Class Actions

PLEASE READ THIS SECTION CAREFULLY – IT MAY SIGNIFICANTLY AFFECT YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT.

YOU AND RING AGREE THAT ANY DISPUTE, CONTROVERSY, OR CLAIM ARISING OUT OF, OR RELATING TO YOUR USE OF THE SERVICES AND OR PRODUCTS, TO THIS AGREEMENT, OR TO THE CONTENT, ANY RELATIONSHIP BETWEEN US AND/OR ANY RECORDING ON THE SERVICES AND/OR PRODUCTS SHALL BE RESOLVED ONLY BY FINAL AND BINDING, BILATERAL ARBITRATION, except that (1) you may assert claims in small claims court in your county of residence within the United States if your claims qualify; and (2) this agreement to arbitrate does not include your or Ring's right to seek injunctive or other equitable relief in state or federal court in Los Angeles County California to prevent the actual or threatened infringement, misappropriation or violation of a party's copyrights, trademarks, trade secrets, patents, or other intellectual property rights. The Federal Arbitration Act (the "FAA"), 9 U.S.C. § 1, et seq., and federal arbitration law apply to this Agreement and govern all questions as to whether a dispute is subject to arbitration.

There is no judge or jury in arbitration, and court review of an arbitration award is limited. An arbitrator, however, can award on an individual basis the same damages and relief as a court (including injunctive and declaratory relief or statutory damages), and must follow the terms of these Terms.

"Disputes" shall include, but are not limited to, any claims or controversies between you and Ring against each other related in any way to or arising out of in any way from this Agreement, the Services, the Products, the Content, and/or User Recording(s), including but not limited to sales, returns, refunds, cancellations, defects, policies, privacy, advertising, or any communications between you and Ring, even if the claim arises after you or Ring has terminated Services or a user account. Disputes also include, but are not limited to, claims that: (a) you bring against our employees, agents, affiliates, or other representatives; or (b) Ring brings against you. Disputes also include, but are not limited to, (i) claims in any way related to or arising out of any

aspect of the relationship between you and Ring, whether based in contract, tort, statute, fraud, misrepresentation, advertising claims, or any other legal theory; (ii) claims that arose before these Terms or out of a prior set of Terms with Ring; (iii) claims that are subject to on-going litigation where you are not a party or a class member; and/or (iv) claims that arise after the termination of these Terms.

Dispute Notice

Before initiating an arbitration, you and Ring each agree to first provide the other a written notice (“Notice of Dispute”), which shall contain: (a) a written description of the problem and relevant documents and supporting information; and (b) a statement of the specific relief sought. A Notice of Dispute should be sent to: 1523 26th Street Santa Monica, CA 90404, Attention: Legal Department, or emailed to legal@ring.com. We will provide a Notice of Dispute to you via the email address associated with your Ring account. You and Ring agree to attempt in good faith to resolve the Dispute prior to commencing an arbitration and not to commence an arbitration proceeding until a forty-five (45) day post-notice resolution period expires.

*Arbitration Process and Procedure **

If the parties do not reach an agreed upon solution within forty-five (45) days from the original Dispute Notice, then either party may initiate binding arbitration as the sole means to resolve claims, subject to these terms. Arbitration shall (1) be administered by the Judicial Arbitration and Mediation Services, Inc. (“JAMS”), pursuant to the JAMS Streamlined Arbitration Rules & Procedures then in effect (the “JAMS Rules”) and as modified by this agreement to arbitrate, including the rules regarding filing, administration, discovery, and arbitrator fees; (2) be conducted by a single, neutral arbitrator; and (3) take place in the county where you reside or any reasonable location within the United States convenient for you. To the extent that this agreement to arbitrate conflicts with the JAMS Policy on Consumer Arbitrations Pursuant to Pre-Dispute Clauses Minimum Standards for Procedural Fairness (the “Minimum Standards”), the Minimum Standards in that regard will apply.

WE EACH AGREE THAT ANY DISPUTE RESOLUTION PROCEEDINGS WILL BE CONDUCTED ONLY ON AN INDIVIDUAL BASIS AND NOT IN A CLASS, REPRESENTATIVE OR PRIVATE ATTORNEY GENERAL ACTION. Further, unless both you

and Ring expressly agree otherwise, the arbitrator may not consolidate more than one person's claims and may not otherwise preside over any form of a representative or class proceeding. If a court decides that applicable law precludes enforcement of any of this subsection's limitations as to a particular claim for relief, then that claim (and only that claim) must be severed from the arbitration and may be brought in court.

If, for any reason, a claim proceeds in court rather than in arbitration, we each waive our right to a jury trial.

YOU THEREFORE UNDERSTAND AND AGREE THAT BY ENTERING INTO THIS AGREEMENT, YOU AND RING ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY AND THE RIGHT TO PARTICIPATE IN A CLASS OR REPRESENTATIVE ACTION FOR ANY CLAIMS COVERED BY THIS AGREEMENT.

The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim.

The JAMS Rules are available on its website at <http://www.jamsadr.com/rules-streamlined-arbitration/>. Notwithstanding any JAMS Rules to the contrary or any other provision in the arbitration rules chosen, by agreement, to govern, you and Ring each agree that all issues regarding the Dispute are delegated to the arbitrator to decide. Further, the arbitrator, and not any federal, state or local court or agency, shall have exclusive authority to resolve all disputes arising out of or relating to the interpretation, applicability, enforceability or formation of these Terms, including, but not limited to any claim that all or any part of these Terms are void or voidable, or whether a claim is subject to arbitration. The arbitrator shall be empowered to grant whatever relief would be available in a court under law or in equity. The arbitrator's award shall be written, and binding on the parties and may be entered as a judgment in any court of competent jurisdiction.

Hearing

If your claim does not exceed \$10,000 (USD), you and Ring agree to waive an oral hearing by the arbitrator and the arbitration will be conducted solely on the basis of documents you and Ring submit to the arbitrator, unless you request a hearing or the

arbitrator determines that a hearing is necessary. To the extent an oral hearing is requested by you or Ring, or deemed necessary by the arbitrator, you and Ring agree that the hearing will be conducted telephonically or videographically.

Arbitrator's Decision

An arbitrator's award will be a written statement of the disposition of each claim and will also provide a concise written statement of the essential findings and conclusions which form the basis of the award. The arbitrator's decision and award is final and binding, with some limited court review under the FAA, and judgment on the award may be entered in any court of competent jurisdiction.

****Fees ****

It is each parties' responsibility to pay any JAMS filing, case management/administrative, and arbitrator fees as set forth in the JAMS Rules. To the extent the filing fee for the arbitration exceeds the cost of filing a lawsuit, Ring will pay the additional cost. If your claim for damages does not exceed \$25,000 (USD) and you follow the dispute notice procedure set forth above, Ring will pay all such fees unless the arbitrator finds that either the substance of your Dispute or the relief sought was frivolous or was brought for an improper purpose (as measured by the standards set forth in the Federal Rule of Civil Procedure 11(b)).

****Small Claims & Government Actions ****

As an alternative to arbitration, you or Ring may resolve Disputes in a small claims court that has jurisdiction over your claim. These Terms and this arbitration agreement do not prevent you from bringing your Dispute to the attention of any federal, state, or local government agency. Such agencies can, if the law allows, seek relief against Ring on your behalf.

Opt Out Procedure

If you do not wish to be bound by the arbitration and class-action waiver provisions in these Terms, you must notify us in writing within thirty (30) days (or such longer period, if required by applicable law) of the date that you first accept these Terms. To opt out, please mail a notification including your name, the email address for your customer account, your mailing address, and a statement that you do not wish to

resolve disputes with Ring by arbitration to Ring Inc., 1523 26th Street, Santa Monica, CA 90404, Attention: Legal Department – Opt Out. Any opt out sent in accordance with this paragraph affects only these Terms, and shall not affect the other arbitration agreements between you and Ring (whether entered into before or after these Terms). If you do not opt out in writing in accordance with this paragraph, you agree to be bound by the arbitration and class-action waiver provisions of these Terms. If you opt-out of these arbitration provisions, Ring also will not be bound by them.

Changes to this Section

Ring will provide you with sixty (60)-days' notice of any changes to this section. Changes will become effective on the sixtieth (60th) day, and will apply prospectively only to any claims arising after the sixtieth (60th) day. You may opt out of changes to this section after receiving notice of the changes by mailing a notice to Ring Inc., 1523 26th Street, Santa Monica, CA 90404, Attention: Legal Department – Changes Opt Out.

SEVERABILITY AND SURVIVAL

If any provision of these Terms shall be deemed unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from the remaining terms of use and shall not affect the validity and enforceability of any remaining provisions.

Provisions that, by their nature, should survive termination of these Terms shall survive termination. By way of example, all of the following will survive termination: any obligation you have to pay us or indemnify us, any limitations on our liability, any terms regarding ownership of intellectual property rights, and terms regarding disputes between us.

PRIVACY

Please see our [Privacy Notice](#) for information regarding the collection and use of personal information collected through our Products and Services.

Despite any representations concerning privacy, Ring reserves the right to disclose without notice to you any information in its possession if required to do so by law or upon a good-faith belief that such action is necessary to comply with the law, to protect or defend our rights or property, or to respond to an emergency situation. Specific areas or pages of this website may include additional or different terms relating to the use of personal information collected from such areas or pages.

VI. THIRD PARTY INDEMNIFICATION FOR RING AND THE MONITORING STATION

THIS AGREEMENT IS INTENDED ONLY FOR YOUR BENEFIT. THEREFORE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, YOU AGREE TO INDEMNIFY, DEFEND, RELEASE AND HOLD RING AND THE MONITORING STATION HARMLESS FROM AND AGAINST (I) ALL CLAIMS, ACTIONS, LAWSUITS AND ANY OTHER LEGAL ACTION BROUGHT BY ANY THIRD PARTY AGAINST RING OR THE MONITORING STATION ARISING FROM OR RELATING TO THIS AGREEMENT, THE ALARM PRODUCT, ALARM SERVICES OR MONITORING SERVICE (A "THIRD PARTY ACTION"); AND (II) ANY AND ALL RELATED LOSSES, DAMAGES, SETTLEMENTS AND JUDGMENTS (INCLUDING PAYMENT OF ATTORNEYS' FEES AND COSTS OF RING AND THE MONITORING STATION) INCURRED BY, ASSESSED OR FOUND AGAINST, OR MADE BY RING OR THE MONITORING STATION RELATING TO OR ARISING FROM ANY SUCH THIRD PARTY ACTION ("THIRD PARTY RELATED LOSSES"), EVEN IF SUCH THIRD PARTY ACTION AND THIRD PARTY RELATED LOSSES ARISE FROM THE NEGLIGENCE OF ANY KIND OR DEGREE OF RING OR THE MONITORING STATION, BREACH OF CONTRACT OR

WARRANTY OR CONDITION, STRICT LIABILITY, NON-COMPLIANCE WITH APPLICABLE LAW, OR OTHER FAULT. NOTHING CONTAINED HEREIN SHALL BE CONSTRUED TO REQUIRE ANY INDEMNIFICATION WHICH WOULD RENDER OR MAKE THIS CLAUSE, IN WHOLE OR IN PART, VOID AND/OR UNENFORCEABLE UNDER APPLICABLE LAW. THIS INDEMNIFICATION OBLIGATION SHALL NOT APPLY TO ANY WILLFUL, WANTON, INTENTIONAL OR RECKLESS MISCONDUCT OF RING OR THE MONITORING STATION OR GROSS NEGLIGENCE OF RING OR THE MONITORING STATION IN THOSE STATES/PROVINCES THAT DO NOT PERMIT LIMITATION OF LIABILITY FOR GROSS NEGLIGENCE. "THIRD PARTY" IS DEFINED HEREIN TO INCLUDE ANY PERSON OR ENTITY WHO DID NOT ELECTRONICALLY SIGN THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, A SPOUSE, FAMILY MEMBER, GUEST, NEIGHBOR, TENANT, EMPLOYEE OR INSURANCE COMPANY.

VII. LIMITED WARRANTY AND PURCHASE PROTECTION FOR ALARM PRODUCTS

Limited Warranty This is a "Limited Warranty" which gives you specific legal rights to the fullest extent permitted by applicable law. You may also have other rights, which vary from jurisdiction to jurisdiction. Please keep your dated sales receipt; subject to applicable law, it is required for all Limited Warranty requests. Subject to applicable law, any dispute or controversy regarding this Limited Warranty arising from your use of your Alarm Product will be resolved by final and binding bilateral arbitration in accordance with the DISPUTE RESOLUTION section of Ring's Terms of Service, FOUND HERE. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THIS LIMITED WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND CONDITIONS, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. IF APPLICABLE LAW DOES NOT PERMIT RING TO LAWFULLY DISCLAIM STATUTORY OR IMPLIED WARRANTIES, THEN TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ALL SUCH STATUTORY OR IMPLIED WARRANTIES SHALL BE LIMITED IN DURATION TO THE WARRANTY PERIOD OF ONE (1) YEAR FROM THE DATE OF YOUR PURCHASE OF THE ALARM PRODUCT, OR ONE (1) YEAR FROM THE DATE OF RECEIPT OF YOUR REPLACEMENT ALARM PRODUCT.

What the Warranty Covers For a period of one (1) year from the date of your purchase of the Alarm Product, or one (1) year from the date of receipt of your replacement Alarm Product (see Purchase Protection Plan in Section iv. below for details), Ring will, at its sole option, repair or replace any part or component of the Alarm Product that malfunctions due to defective parts at no charge to you. This Limited Warranty is not transferrable or assignable by you and (subject to applicable law) applies only to the original consumer purchaser. Ring may, in its sole discretion, make any repair or replacement with new or refurbished parts or components. If the part or component requiring repair or replacement is no longer available, Ring may, in its sole discretion, replace such part or component with a similar part or component of similar features, functions and quality.

What the Warranty Does Not Cover The Limited Warranty shall not apply to any of the following causes and events: damage due to misuse, abuse, failure to follow instructions and specifications, negligence, casualty (e.g., fire) or acts of God (including but not limited to lightning, flood, tornado, earthquake, or hurricane), and consumable parts (including batteries) are not covered by this Limited Warranty. Unauthorized service or modification of the Alarm Product or any part or component will void this Limited Warranty in its entirety. This Limited Warranty does not include reimbursement for inconvenience, installation, loss of use, or unauthorized service. In addition, this Limited Warranty does not cover any losses, injuries to persons, loss of property or other monetary damages. This Limited Warranty and the Purchase Protection Plan do not apply if you purchase a pre-owned Alarm Product, purchase the Alarm Product from any unauthorized seller, or purchase of the Alarm Product from third party sellers on Amazon, eBay, or other online marketplaces. Ring strongly suggests that you do not buy the Alarm Product from any unauthorized sellers, as the Alarm Product may be used, defective, counterfeit or may not be designed for use in your location. This Limited Warranty covers only Ring™ Alarm Products and is not extended to other equipment, components, or devices that a customer uses in conjunction with the Alarm Product.

Purchase Protection If your Alarm Product is stolen at any time after your purchase, Ring will replace it at no charge to you. This purchase protection is not transferrable or assignable and (subject to applicable law) applies only to the original consumer purchaser. Coverage of this purchase protection is limited to one (1) replacement only for each Alarm Product that you have purchased. Purchase Protection does not

apply to any Alarm Products purchased pre-owned, from any unauthorized sellers, or from third party sellers on Amazon, eBay, and other online marketplaces. Any claim based on theft of your Alarm Product must be submitted within fifteen (15) calendar days (time being of the essence) of the theft and include the original sales receipt, and a copy of a police report evidencing that you reported the theft to the police. Failure to report the theft to police voids this Purchase Protection.

How to Obtain Limited Warranty Service/Replacement To obtain the benefit of the above Limited Warranty or Purchase Protection, please contact Ring community support at: help@ring.com +1(800) 656-1918 (US) + 1(310) 929-7085 (International) For Limited Warranty requests: Please be prepared to describe the Alarm Product that needs service, the nature of the problem and to provide proof of purchase. You will also be required to return your existing Alarm Product in accordance with directions that will be provided by Ring. Ring has no warranty or other obligations with respect to any Alarm Product that is excluded from the Limited Warranty pursuant to Section iii, above, of this Limited Warranty, as reasonably determined by Ring, and you agree to arrange and pay for shipping to return the Alarm Product to Ring, and the shipping costs for Ring to return the serviced Alarm Product or replacement Alarm Product back to you. Any claim under this Limited Warranty must be submitted to Ring before the end of the Limited Warranty period described above; time being of the essence. Please allow up to fourteen (14) business days for your Limited Warranty request to be processed. For Purchase Protection Replacement requests: Please be prepared to describe the Alarm Product that needs to be replaced and provide Ring with a copy of the applicable police report. Please allow up to fourteen (14) business days for your replacement to be processed.

VIII. REMOTE ACCESS SERVICE

You may choose to use the Ring app. to remotely arm, disarm and check the status of your Alarm Product, receive real-time alerts, and utilize other features, functionalities and benefits of the Alarm Product (the "Remote Access Service") through a compatible portable enabled electronic device, like a smart phone or tablet, or through a personal computer (the "Electronic Device"). It is your sole responsibility to assure that your Electronic Device is at all times compatible with the Remote Access

Service.

When using the Remote Access Service, it is your responsibility to monitor your Alarm Product, or have another person you trust monitor your Alarm Product, and respond appropriately to all information and events received while using the Remote Access Service. It is likewise your responsibility to ensure that, while using the Remote Access Service, notifications from the Alarm Product (including any alarm event messages) can be relayed to you and your designated contacts. Further, it is your responsibility to determine the appropriate response to all information and events you receive while using the Remote Access Service and you accept that you are entirely responsible for your response and that of your designated contacts. If your response to information and events while using the Remote Access Service incurs costs, you accept full liability for those costs. If you receive notice of any life/safety, property risk, fires, floods, burglaries, robberies, medical issues or other emergency events while using the Remote Access Service, you should immediately contact the police, fire department, 911 or appropriate emergency response service.

IX. MONITORING SERVICE

**** i. The Monitoring Service****

If you choose the Central Station Monitoring Service (“Monitoring Service”), a Central Monitoring Station (the “Monitoring Station”) will, during the Term of the Monitoring Service, monitor signals transmitted to it from your Alarm Product or Third-Party Devices (as defined in Section XVIII, below) expressly certified and approved by Ring to be compatible with the Monitoring Service. You understand and agree that the Monitoring Station is a subcontractor of Ring, and the Monitoring Station and Ring are independent operating companies. There is no partnership, joint venture, employer/employee, master/servant, or other similar relationship between the Monitoring Station and Ring.

ii. Available with Certified and Approved Third Party Devices Only.

YOU UNDERSTAND AND AGREE THAT THE MONITORING SERVICE WILL ONLY WORK WITH THE ALARM PRODUCTS AND THIRD-PARTY DEVICES EXPRESSLY CERTIFIED

AND APPROVED BY RING TO BE COMPATIBLE WITH THE MONITORING SERVICE. IF YOU HAVE SELECTED THE MONITORING SERVICE, YOU HEREBY RELEASE AND HOLD RING AND THE MONITORING STATION HARMLESS FROM AND AGAINST ALL LIABILITY AND DAMAGES, INJURIES OR LOSS OF LIFE ARISING FROM, RELATED TO, OR CAUSED BY, YOUR INSTALLATION AND/OR USE OF ANY THIRD-PARTY DEVICES, EVEN IF SOLD BY RING, THAT ARE NOT EXPRESSLY CERTIFIED AND APPROVED BY RING TO BE COMPATIBLE WITH THE MONITORING SERVICE.

iii. Residential Use Only

YOU HEREBY UNDERSTAND AND AGREE THAT MONITORING SERVICE IS INTENDED FOR USE ONLY AT A SINGLE RESIDENTIAL (NON-COMMERCIAL) LOCATION WHERE THE ALARM PRODUCT IS INSTALLED AND REGISTERED BY THE CUSTOMER THROUGH THE RING APP. (THE "REGISTERED ADDRESS"). THE MONITORING SERVICE WILL NOT FUNCTION IF ANY OF THE ALARM PRODUCTS ARE INSTALLED OR USED AT ANY LOCATION OTHER THAN THE REGISTERED ADDRESS. PLEASE BE WARNED THAT IF YOUR REGISTERED ADDRESS IS NOT CORRECT OR CURRENT, THE MONITORING STATION WILL BE UNABLE TO CONTACT YOU OR DISPATCH EMERGENCY RESPONDERS TO THE LOCATION WHERE YOUR ALARM PRODUCT IS ACTUALLY LOCATED AND INSTALLED, AND/OR EMERGENCY RESPONDERS MAY BE DISPATCHED TO AN INCORRECT LOCATION. YOU ACKNOWLEDGE THAT THE MONITORING SERVICE IS NOT INTENDED FOR USE AT A COMMERCIAL BUILDING, PLACE OF BUSINESS OR MULTI-FAMILY DWELLING, AND YOU AGREE NOT TO SO USE THE MONITORING SERVICE. IF YOU HAVE SELECTED THE MONITORING SERVICE, YOU HEREBY RELEASE AND HOLD RING AND THE MONITORING STATION HARMLESS FROM AND AGAINST ALL LIABILITY AND DAMAGES, INJURIES OR LOSS OF LIFE ARISING FROM, RELATED TO, OR CAUSED BY, YOUR INSTALLATION AND/OR USE OF ALARM PRODUCTS AT A LOCATION OTHER THAN YOUR REGISTERED ADDRESS, OR AT A COMMERCIAL BUILDING, PLACE OF BUSINESS OR MULTI-FAMILY DWELLING.

iv. Address Verification Required.

Ring and the Monitoring Station utilize an address verification system in an effort to verify your Registered Address to reduce the risk of fraud and help ensure that emergency responders, if dispatched by the Monitoring Station, are dispatched to the correct address. YOU UNDERSTAND AND AGREE THAT, UNTIL YOUR REGISTERED ADDRESS IS SO VERIFIED, THE MONITORING SERVICE WILL NOT BE AVAILABLE FOR

YOUR ALARM PRODUCT AND THE MONITORING STATION WILL NOT RECEIVE ANY ALARM SIGNALS FROM YOUR ALARM PRODUCT. YOU HEREBY AGREE TO RELEASE AND HOLD RING AND THE MONITORING STATION HARMLESS FROM AND AGAINST ALL LIABILITY AND DAMAGES, INJURIES OR LOSS OF LIFE ARISING FROM, RELATED TO, OR CAUSED BY, THE UNAVAILABILITY OF THE MONITORING SERVICE WHILE YOUR REGISTERED ADDRESS IS BEING VERIFIED AND UNTIL YOUR MONITORING SERVICE HAS BEEN ACTIVATED. IF YOU HAVE AN ACTUAL EMERGENCY BEFORE YOUR REGISTERED ADDRESS HAS BEEN VERIFIED AND YOUR MONITORING SERVICE HAS BEEN ACTIVATED, YOU SHOULD IMMEDIATELY CONTACT THE POLICE, FIRE DEPARTMENT, 911 OR APPROPRIATE EMERGENCY RESPONSE SERVICE.

v. Permit and Registration Requirements

For the Monitoring Service, some local governments have various permit or registration requirements for your Alarm Product. Without the required permit or registration, emergency responders may not respond to requests from the Monitoring Station for emergency dispatch, and/or fines and penalties may be levied by the applicable local government. Through the Ring app., Ring may notify you if the local government corresponding to the Registered Address for your Alarm Product requires you to obtain a permit or registration for the Monitoring Service. If you are so required to obtain a permit or registration, then you are solely responsible for complying with all requirements of your local government to obtain, maintain and renew the permit or registration, including completing all required applications and renewal applications and paying any applicable fees and renewal fees. Further, you are responsible for any fines and penalties that may be assessed by the applicable government or municipal authorities against you, Ring or the Monitoring Station arising from your failure to obtain, maintain and renew the applicable permit or registration. To the fullest extent permitted by applicable law, you hereby expressly authorize Ring to charge the payment card associated with your Monitoring Service account the full amount of any such fines or penalties assessed against Ring or the Monitoring Station. If the applicable government or municipal authorities requires Ring to obtain, maintain and renew a permit or registration for your Alarm Products, then you agree to reimburse Ring, upon request, for the actual fee, if any, paid by Ring to the applicable local government to obtain, maintain and renew any such permit or registration. To the fullest extent permitted by applicable law, you hereby expressly authorize Ring to charge the payment card associated with your Monitoring Service

account the actual amount or any such fee paid by Ring to obtain, maintain and renew any such required permit or registration. YOU HEREBY AGREE TO RELEASE AND HOLD RING AND THE MONITORING STATION HARMLESS FROM AND AGAINST ALL LIABILITY AND DAMAGES, INJURIES OR LOSS OF LIFE ARISING FROM, RELATED TO, OR CAUSED BY, ANY DELAY IN THE DISPATCH OF EMERGENCY RESPONDERS, OR ANY THE FAILURE OR REFUSAL OF EMERGENCY RESPONDERS TO SO DISPATCH TO YOUR REGISTERED ADDRESS, DUE TO ANY FAILURE BY YOU TO OBTAIN, MAINTAIN AND RENEW ANY REQUIRED PERMIT OR REGISTRATION FOR YOUR ALARM PRODUCT.

vi. Initial Test Status

AFTER YOUR ALARM PRODUCT HAS BEEN INSTALLED, OPERATIONAL, AND COMMUNICATING WITH THE MONITORING STATION, THE MONITORING STATION WILL, IF NOT PROHIBITED BY APPLICABLE MUNICIPAL, LOCAL OR STATE/PROVINCIAL LAW, CODE OR ORDINANCE, PLACE YOUR ACCOUNT INTO A SEVEN (7) DAY TEST STATUS, OR ANY INTERVAL FOR TEST STATUS OTHERWISE REQUIRED BY APPLICABLE MUNICIPAL, LOCAL OR STATE/PROVINCIAL LAW, CODE OR ORDINANCE (THE "INITIAL TEST PERIOD"). THE MONITORING SERVICE WILL BEGIN ONLY AFTER THE COMPLETION OF THE INITIAL TEST PERIOD. YOU THEREFORE UNDERSTAND THAT THE MONITORING STATION WILL NOT RESPOND OR DISPATCH ANY EMERGENCY RESPONDER TO ANY SIGNAL RECEIVED FROM YOUR ALARM PRODUCT BEFORE THE COMPLETION OF THE INITIAL TEST PERIOD, EVEN IF THE EVENT OF AN ACTUAL EMERGENCY. UNLESS PROHIBITED BY APPLICABLE MUNICIPAL, LOCAL OR STATE/PROVINCIAL LAW, CODE OR ORDINANCE, YOU WILL HAVE THE OPTION OF OPTING-OUT OF THE INITIAL TEST PERIOD AT ANYTIME BEFORE THE EXPIRATION OF THE INITIAL TEST PERIOD THROUGH THE ACCOUNT SETTING OPTIONS ON YOUR RING APP. YOU HEREBY AGREE TO RELEASE AND HOLD RING AND THE MONITORING STATION HARMLESS FROM AND AGAINST ALL LIABILITY AND DAMAGES, INJURIES OR LOSS OF LIFE ARISING FROM, RELATED TO, OR CAUSED BY, THE UNAVAILABILITY OF THE MONITORING SERVICE DURING THE INITIAL TEST PERIOD. IF YOU HAVE AN ACTUAL EMERGENCY DURING THE INITIAL TEST PERIOD, YOU SHOULD IMMEDIATELY CONTACT THE POLICE, FIRE DEPARTMENT, 911 OR APPROPRIATE EMERGENCY RESPONSE SERVICE

vii. How the Monitoring Service Works

The Monitoring Service consists of (a) continuously (i.e., 24 hours a day, seven days a week) monitoring the Alarm Product for purposes of receipt by the Monitoring Station of any listed signal codes from the Alarm Product, and (b) the notification of you, and/or your emergency contacts and/or emergency responders of the receipt of any such listed signal codes by the Monitoring Station, as provided for herein. Notification to you and your emergency contacts may be made by one or more means, to include: calls to the telephone numbers, emails to the email addresses and text messages to the wireless devices you provide Ring for yourself and your emergency contacts.

So that the Monitoring Service can be performed, you must provide Ring with all the information it and/or the Monitoring Station requests for you and your emergency contacts, and notify Ring immediately with any change to any of that information. You agree that any person that you have designated as an emergency contact is authorized to act on your behalf, and has the authority to verify or cancel a listed signal code received by the Monitoring Station prior to, or after, the notification of emergency responders. You understand and agree that Ring and the Monitoring Station will rely, and are entitled to rely, solely on the contact and other information you provide for yourself and your emergency contacts.

Upon receipt of a listed signal code from the Alarm Product, the Monitoring Station will make commercially reasonable efforts to notify you, your emergency contacts and/or emergency responders within a commercially reasonable period of time in accordance with your instructions, the policies and procedures of the Monitoring Station, and any applicable municipal, local or state/provincial law, code or ordinance. In the case of notification to you, if emergency responders have not already been notified by the Monitoring Station, and the response from you indicates notification to emergency responders is appropriate or required, the Monitoring Station will then make commercially reasonable efforts to notify emergency responders. In the case of notification to your emergency contacts, (a) if there is no response from such first contact, and the Monitoring Station has been provided a second contact by you, it will then make commercially reasonable efforts to notify such second contact, and (b) if emergency responders have not already been notified by the Monitoring Station, and the response from your first or second emergency contact indicates notification to emergency responders is appropriate or required, the Monitoring Station will then make commercially reasonable efforts to notify emergency responders (hereinafter

the “Notification Protocol”). In the case of notification to your emergency contacts, the Notification Protocol shall be satisfied upon receipt by the Monitoring Station of verbal confirmation of notification from an emergency contact, or by leaving a message with such emergency contact on a telephone answering service, or any mechanical, electrical, electronic or other technology permitting the recording of voice or data communications. In the case of notification to emergency responders, the Notification Protocol shall be satisfied upon receipt by the Monitoring Station of verbal confirmation of notification to any person authorized to respond to such notification.

Ring and the Monitoring Station may be subject to applicable laws and industry standards designed to reduce false alarms, and these laws and standards may result in practices and procedures that delay either the notification of emergency responders, or other verification procedures in response to listed signal codes. To the fullest extent permitted by applicable law, codes and ordinances, you agree that the Monitoring Station may, in its reasonable discretion, and notwithstanding anything to the contrary herein, attempt to contact you and/or your emergency contacts to verify that a signal is not a false alarm before dispatching emergency responders. IF THE MONITORING STATION HAS REASON TO BELIEVE THAT NO EMERGENCY CONDITION EXISTS, IT MAY ELECT, IN ITS REASONABLE DISCRETION AND IF NOT OTHERWISE PROHIBITED BY APPLICABLE LAW, CODES AND ORDINANCES, NOT TO DISPATCH EMERGENCY RESPONDERS AND/OR FOLLOW THE NOTIFICATION PROTOCOL.

If you experience a life/safety, property risk, fire, flood, burglary, robbery, medical issue or other emergency event, do not wait to be contacted by the Monitoring Station. Instead, if you are able to do so safely, you should immediately contact the police, fire department, 911 or appropriate emergency response service.

viii. Changes to the Monitoring Service

Ring and the Monitoring Station may from time to time, in response to applicable law or otherwise, revise, replace, change, modify, discontinue or rescind certain policies or procedures relating to the Monitoring Service and the response to listed signal codes. Ring shall endeavor to provide you with notification pursuant to Section III hereof of any such revisions, replacements, changes, modifications, discontinuance or rescission within a commercially reasonable period of time either before or after they are effective.

ix. False Alarm

In the event a fine, penalty or fee is assessed against you or Ring or the Monitoring Station by any local government as a result of any false, excessive or other alarm condition or non-compliance with any local ordinance or standard intended to reduce false alarms not caused by the negligence or other wrongdoing of Ring or the Monitoring Station, you agree to be solely responsible for payment, and shall reimburse Ring and the Monitoring Station for any such fines, penalty or fees. To the fullest extent permitted by applicable law, you hereby expressly authorize Ring to charge the payment card associated with your Monitoring Service account the full amount of any such fine, penalty or fee. Please be warned that if your Alarm Product generates more than three (3) false alarm signals within a twenty-four (24) hour period, Ring and/or the Monitoring Station may, if not prohibited by applicable municipal, local or state/provincial law, code or ordinance, place your Alarm Product back in Initial Test Status, as defined above in Section vi., above. However, before placing the Alarm Product back in the Initial Test Status, Ring and/or the Monitoring Station will provide you with at least twenty-four (24) hours advance notification pursuant to Section III hereof.

**x. Changes to the System Elements **

PLEASE BE WARNED THAT IF YOU SWITCH OR CHANGE ANY OF YOUR SYSTEM ELEMENTS (AS DEFINED IN SECTION XI, BELOW), THIS MAY LEAVE YOUR ALARM PRODUCT UNABLE TO TRANSMIT SIGNALS TO THE MONITORING STATION AND, THEREFORE, THE MONITORING SERVICE WILL NOT WORK. It is your sole duty to assure that your System Elements are at all times compatible with your Alarm Product and Monitoring Service, and properly functioning.

**xi. Use of Communications **

To the fullest extent permitted by applicable law, you hereby consent to the Monitoring Station intercepting, recording, retrieving, reviewing, copying, disclosing and using, for purposes of providing the Monitoring Service, the contents of all telephone, video, wire, oral, electronic and other forms of transmission or communication to which you or your emergency contacts are parties.

xii. Force Majeure

The obligation to provide the Monitoring Services shall immediately terminate, without prior notice, in the event of any of the following: (i) the telephone lines, network or equipment, other communications equipment, software, or physical facilities of the Monitoring Station are destroyed, damaged, or inoperable for any reason whatsoever; or (ii) any war whether declared or undeclared, fire, flood, extreme weather, accident, explosion, act of terrorism, governmental orders, regulations, restrictions or priorities, strike, lockout or other labor troubles, or any other cause beyond the absolute control of the Monitoring Station for the duration of the interrupted service. Ring shall provide you with notice pursuant to Section III hereof of such termination as soon as commercially reasonable following any such Force Majeure event.

X. MONITORING SERVICE AFTER FREE TRIAL PERIOD.

YOU UNDERSTAND AND AGREE THAT IF YOU DO NOT ENTER INTO A PAID SUBSCRIPTION FOR THE MONITORING SERVICE BEFORE THE END OF YOUR FREE TRIAL PERIOD, THEN YOUR MONITORING SERVICE WILL STOP AT THE END OF YOUR FREE TRIAL PERIOD. YOU FURTHER UNDERSTAND THAT ONCE THE MONITORING SERVICE STOPS, YOUR ALARM PRODUCT WILL NO LONGER SEND ALARM SIGNALS TO THE MONITORING STATION FOR MONITORING SERVICES.

XI. BROADBAND INTERNET ACCESS/BACKUP WIRELESS DATA SERVICE.

The Alarm Services and Monitoring Service will not work or be accessible without: (i) a working wi-fi network at your Registered Address that is positioned to communicate reliably with your Alarm Product; (ii) an active, current and properly completed account with Ring; (iii) an enabled and supported wireless device; and (iv) always-on broadband internet access at your Registered Address with bandwidth sufficient to support your Alarm Product (collectively, the or your "System Elements"). It is your responsibility to ensure that you have all required System Elements and that they are compatible and properly configured with your Alarm Product. You acknowledge that the Alarm Services and Monitoring Service may not work as described when the

requirements and compatibility have not been met. If you change any of the required System Elements, it is your sole duty and responsibility to be sure they are compatible and properly configured to work with your Alarm Product and Alarm Services. If Ring receives notice that you failed to maintain the required System Elements, Ring may, in its sole discretion, elect to terminate the Alarm Services or Monitoring Service in accordance with Section XIII hereof. Also, the Monitoring Service only includes a wireless data service that serves as backup during any outage of your broadband internet access (the "Back-Up Wireless Data Service"). For the Back-Up Wireless Data Service to work, your Registered Address must be located within the coverage area of the applicable carrier in North America for the Back-Up Wireless Data Service, and it is your sole responsibility to assure that your Registered Address is so located within the applicable service coverage area. Your Alarm Product may contain a SIM card. You agree not to use the SIM card except in your Alarm Product. Any violation of the restrictions on the use of the SIM card may, in Ring's sole discretion, result in the termination of the Alarm Services or Monitoring Service in accordance with Section XIII hereof. In addition, if Ring detects unauthorized or excessive use of the Alarm Services or Monitoring Service or SIM card, you agree to reimburse Ring for all the data usage associated with the unauthorized or excessive use. You hereby expressly authorize Ring to charge the payment card associated with your account for all related unauthorized or excessive data charges. You understand and agree that neither Ring nor the Monitoring Station are responsible for the operation or non-operation of any of your System Elements or Back-Up Wireless Data Service. You acknowledge and agree that the System Elements and Back-Up Wireless Data Service are not error-free and may be interrupted, delayed, refused, or otherwise limited for a variety of reasons, including insufficient coverage, power outages, termination of service and access, environmental conditions, interference, non-payment of applicable fees and charges, unavailability of radio frequency channels, system capacity, upgrades, repairs or relocations, and priority access by emergency responders in the event of a disaster or emergency ("Service Problem(s)"). Service Problems may result in an inability of your Alarm Product to send listed signal codes to the Monitoring Station and, in such event, the Monitoring Service will be unavailable for the duration of the Service Problem. Further, Service Problems may result in the Alarm Service being unreliable or unavailable for the duration of the Service Problem. Neither Ring, the Monitoring Station, nor any wireless data carrier is responsible or liable for any such Service Problems.

SPECIFICALLY, REGARDING THE BACK-UP WIRELESS DATA SERVICE, YOU ACKNOWLEDGE THAT BACK-UP WIRELESS DATA SERVICE IS MADE AVAILABLE ONLY WITHIN THE OPERATING RANGE OF THE NETWORKS. THE BACK-UP WIRELESS DATA SERVICE MAY BE TEMPORARILY REFUSED, INTERRUPTED, OR LIMITED BECAUSE OF: (A) FACILITIES LIMITATIONS; (B) TRANSMISSION LIMITATIONS CAUSED BY ATMOSPHERIC, TERRAIN, OTHER NATURAL OR ARTIFICIAL CONDITIONS ADVERSELY AFFECTING TRANSMISSION, WEAK BATTERIES, SYSTEM OVERCAPACITY, MOVEMENT OUTSIDE A SERVICE AREA OR GAPS IN COVERAGE IN A SERVICE AREA AND OTHER CAUSES REASONABLY OUTSIDE OF THE WIRELESS DATA CARRIER'S CONTROL SUCH AS, BUT NOT LIMITED TO, INTENTIONAL OR NEGLIGENT ACTS OF THIRD PARTIES THAT DAMAGE OR IMPAIR THE NETWORK OR DISRUPT SERVICE; OR (C) EQUIPMENT MODIFICATIONS, UPGRADES, RELOCATIONS, REPAIRS, AND OTHER SIMILAR ACTIVITIES NECESSARY FOR THE PROPER OR IMPROVED OPERATION OF SERVICE. CARRIER PARTNER NETWORKS ARE MADE AVAILABLE AS-IS. RING AND THE WIRELESS DATA CARRIER MAKE NO WARRANTIES OR REPRESENTATIONS AS TO THE AVAILABILITY OR QUALITY OF ROAMING SERVICE PROVIDED BY CARRIER PARTNERS AND WILL NOT BE LIABLE IN ANY CAPACITY FOR ANY ERRORS, OUTAGES, OR FAILURES OF CARRIER PARTNER NETWORKS.

XII. DUTY TO PROPERLY INSTALL, TEST AND REPLACE BATTERIES FOR YOUR ALARM PRODUCT.

It is your responsibility to install your Alarm Product in strict accordance with the instructions and specifications in the [User and Installation Manual]. IF YOUR ALARM PRODUCT IS NOT PROPERLY INSTALLED, OR IF YOUR ALARM PRODUCT OR ANY OF ITS SENSORS ARE OUTSIDE THE DETECTION RANGE OR HINDERED OR OBSTRUCTED BY WALLS, FURNITURE, PERSONAL PROPERTY OR OTHER THINGS, YOU MAY EXPERIENCE FALSE ALARMS OR DETECTION FAILURES. It is your responsibility to test your Alarm Product once installed, and then regularly test and maintain your Alarm Product after installation. Also, it is your responsibility to replace the batteries for your Alarm Product, when necessary. YOU UNDERSTAND AND AGREE THAT YOUR ALARM PRODUCT MAY NOT FUNCTION OR PROPERLY FUNCTION IF THE BATTERIES NEED REPLACEMENT OR SERVICE; PLEASE CHECK THEM REGULARLY.

XIII. THE CUSTOMER'S DEFAULT

If you fail to perform your obligations under this Agreement (monetary or non-monetary), Ring will have the right, in its sole discretion, to terminate the Monitoring Service or Alarm Services. If Ring elects to do so, it will first notify you pursuant to Section III hereof, of your obligation failures and Ring's intention to terminate the Monitoring Service or Alarm Services (the "Notice of Intention to Terminate"). You will have seventy-two (72) hours from the date the Notice of Termination is first sent to you to fully cure your performance failures (the "Cure Period"), time being of the essence. If you fail to timely do so, Ring may then, in its sole discretion, terminate the Monitoring Service or Alarm Services at any time after providing you notification in accordance with Section III hereof (the "Termination Notice"). The termination of the Monitoring Service or Alarm Services will take effect within forty-eight (48) hours after the Termination Notice is first sent to you (the "Termination"). In the event of a Termination, and to the fullest extent permitted by applicable law, you agree to pay Ring, (a) all amounts then due, and (b) Ring's reasonable collection costs, including attorneys' fees and costs. In the event of a Termination of the Monitoring Service or Alarm Services, no Monitoring Service or Alarm Services will thereafter be provided. If Ring waives any default or performance failures, Ring is not waiving other defaults. Any waiver by Ring must be in writing, and may not be implied by its actions or inactions. To the fullest extent permitted by applicable law, in the event of a Termination, you hereby expressly authorize Ring to charge the payment card associated with your account the full amount then due and Ring's reasonable collection costs, including attorneys' fees and costs, if applicable. Further, Ring reserves the right to terminate the Monitoring Service or Alarm Services, with no further obligation to you (except payment for all amounts then due) in the event of: (i) excessive runaway and/or false signals, (ii) your failure to maintain a broadband internet access service, (iii) your wireless data usage being considered harmful or disruptive, or otherwise interfering with the wireless data carrier's network or the ability to provide quality service to other customers, or (iv) the reasonable policies and procedures of the Monitoring Station (collectively, the "Other Termination Reasons"). If Ring elects to terminate the Monitoring Service or Alarm Services for Other Termination Reasons, it will provide notice pursuant to Section III hereof (the "Termination Notice"). The termination of the Monitoring Services or Alarm Services

will take effect for the Other Termination Reasons within forty-eight (48) hours after the Termination Notice is first sent to you.

XIV. SUBCONTRACTING AND ASSIGNMENTS.

You cannot transfer or assign this Agreement without Ring's consent; however, Ring can assign this Agreement or subcontract its obligations without your consent, including the Monitoring Service. If Ring does so, anyone to whom Ring assigns or subcontracts its obligations will receive the benefit of, and have the right to enforce, all the terms and conditions of the Agreement.

XV. LIMITATIONS OF THE ALARM PRODUCTS

YOUR ALARM PRODUCT MAY NOT BE INTENDED OR DESIGNED FOR OUTSIDE USE, UNLESS EXPRESSLY SPECIFIED FOR OUTDOOR USE IN THE SPECIFICATIONS FOR YOUR ALARM PRODUCT. PLEASE BE SURE TO READ THE SPECIFICATIONS FOR YOUR ALARM PRODUCT BEFORE USING YOUR ALARM PRODUCT OUTDOORS.

XVI. NO THIRD-PARTY BENEFICIARIES

EXCEPT FOR THE MONITORING STATION, SUBCONTRACTORS AND ASSIGNEES AS PROVIDED FOR OR PERMITTED IN THIS AGREEMENT, THERE ARE NO THIRD-PARTY BENEFICIARIES TO THIS AGREEMENT. For Canadian residents only: In addition to its own benefits and rights under this Agreement, Ring holds the benefits and rights of the applicable provisions of this Agreement as trustee and agent for and on behalf of the Monitoring Station and Ring's subcontractors, and you acknowledge and agree that Ring may enforce those benefits and rights on behalf of the Monitoring Station and/or such subcontractors.

Equipment that relies on wireless or internet connections or are connected to a network of any kind (such as security systems, communications equipment, cameras,

XVII. MALWARE VULNERABILITY NOTICE AND WAIVER

wireless radios, access control, cloud storage, NAS storage, DVRs, NVR and other kinds of networkable security and other devices) may not be secure and may be exploited or hacked by malware and spyware variants (“Malware Vulnerabilities”). Malware Vulnerabilities may provide a gateway for a person with malicious intent the capability to arm or disarm your system or related equipment; view, extract, change, destroy, steal, disclose or alter your data, or the data of others; monitor and/or spy on your activities and the activities of others; cause internet and network outages; provide for unintended or unauthorized access by others to your network, or the network of others; and otherwise place people, property or data at risk. RING MAKES NO WARRANTY OR REPRESENTATION THAT THE ALARM PRODUCTS, ALARM SERVICES OR MONITORING SERVICE IS SECURE, DOES NOT HAVE, OR IS NOT SUSCEPTIBLE TO, MALWARE VULNERABILITIES. Ring assumes no liability whatsoever for any Malware Vulnerabilities and, to the fullest extent permitted by applicable law, you agree to release and hold Ring harmless from any Malware Vulnerabilities and any related loss or damage of any kind or sort, even if caused by any breach of contract or negligence of any kind or degree of Ring (the “Malware Vulnerability Release”). If the Malware Vulnerability Release is not enforceable under applicable law for any reason, then the LIMITATION OF RING’S LIABILITY in Section IV hereof shall apply to any losses or damages, of any kind or sort, arising from, or related to, Malware Vulnerabilities.

XVIII. SMART DEVICE STANDARDS/THIRD PARTY DEVICES.

Your Alarm Product may use various open or commonly available standards or means to communicate and work with smart or connected devices that are also similarly used by other systems or services not manufactured by Ring, including Z-Wave, Zigbee HA, Wi-Fi, Bluetooth, and IP devices. HOWEVER, SMART, CONNECTED OR OTHER THIRD-PARTY DEVICES (“THIRD PARTY DEVICES”) MAY NOT WORK WITH OUR ALARM PRODUCT OR THE ALARM SERVICES, OR MAY HAVE LIMITED FEATURES OR FUNCTIONALITY, EVEN IF DESIGNED, SPECIFIED OR MARKETING TO OPERATE USING THE SAME OR SIMILAR STANDARDS OR MEANS OF COMMUNICATION.

RING IS NOT RESPONSIBLE FOR, AND, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, YOU HEREBY RELEASE AND HOLD RING HARMLESS FROM AND AGAINST, ALL LIABILITY AND DAMAGES, INJURIES OR LOSS OF LIFE ARISING FROM, RELATED TO, OR CAUSED BY, ANY ATTEMPT BY YOU TO CONNECT, OR YOUR CONNECTION AND USE OF, THIRD-PARTY DEVICES WITH YOUR ALARM PRODUCT OR ALARM SERVICES. FURTHER, RING MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, RELATING TO ANY THIRD-PARTY DEVICE, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OR REPRESENTATION THAT ANY THIRD-PARTY DEVICE WILL PROPERLY AND SAFELY COMMUNICATE AND WORK WITH YOUR ALARM PRODUCT OR THE ALARM SERVICES, OR ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE RELATING TO ANY THIRD-PARTY DEVICE. In addition, you agree Ring may terminate the Monitoring Service or Alarm Services pursuant to Section XIII hereof if Ring, in its sole discretion, believes the operation of any Third-Party Device causes or may cause an issue to your Alarm Product, the Alarm Services, the Monitoring Service or with Ring's liability to you or others.

XIX. SMOKE ALARM AND CARBON MONOXIDE DETECTORS.

RING MAKES NO WARRANTY OR REPRESENTATION THAT ANY SMOKE ALARM OR CARBON MONOXIDE DETECTOR SOLD BY RING CONSTITUTES A FIRE ALARM SYSTEM OR MEETS THE REQUIREMENTS OF ANY STATE/PROVINCIAL OR LOCAL LAW, CODE, ORDINANCE, AUTHORITY HAVING JURISDICTION OR INDUSTRY STANDARD, SUCH AS NFPA 72. Information We Obtain by Automated Means

When you interact with our products and services, we obtain certain information by automated means, such as cookies, web server logs, web beacons, and other technologies. A “cookie” is a text file that websites send to a visitor’s computer or other Internet-connected device to uniquely identify the visitor’s browser or to store information or settings in the browser. A “web beacon,” also known as an Internet tag, pixel tag or clear GIF, links web pages to web servers and their cookies and may be used to transmit information collected through cookies back to a web server.

We may use these automated technologies to collect information about your equipment, browsing actions, and usage patterns. The information we obtain in this manner may include your device IP address, identifiers associated with devices, types of devices connected to our services, web browser characteristics, device characteristics, language preferences, referring/exit pages, clickstream data, and dates and times of website or app visits. These technologies

help us (1) remember your information so you will not have to re-enter it; (2) track and understand how you use and interact with our products and services; (3) tailor the services around your preferences; (4) measure the usability of our products and services and the effectiveness of our communications; and (5) otherwise manage and enhance our products and services, and help ensure they are working properly.

Your browser may tell you how to be notified when you receive certain types of cookies or how to restrict or disable certain types of cookies. Please note, however, that without cookies you may not be able to use all of the features of our online services. For mobile devices, you can manage how your device and browser share certain device data by adjusting the privacy and security settings on your mobile device.

Third-Party Analytics Services

We use third-party web analytics services on our websites and mobile apps. The service providers that administer these services use automated technologies to collect data (such as email and IP addresses) to evaluate use of our websites and mobile apps. To learn more about these analytics services, please [click here](#).

Online Tracking and Interest-Based Advertising

On our websites, we may collect information about your online activities to provide you with advertising about products and services tailored to your interests. This section of our Privacy Notice provides details and explains how to exercise your choices.

You may see our ads on other websites or mobile apps because we participate in advertising networks. Ad networks allow us to target our messaging to users considering demographic data, users' inferred interests and browsing context. These networks track users' online activities over time by collecting information through automated means, including through the use of cookies, web server logs, web beacons and other similar technologies. The networks use this information to show ads that may be tailored to individuals' interests, to track users' browsers or devices across multiple websites, and to build a profile of users' online browsing activities. The information our ad networks may collect includes data about users' visits to websites that participate in the relevant ad networks, such as the pages or ads viewed and the actions taken on the websites. This data collection takes place both on our websites and on third-party websites that participate in the ad networks. This process also helps us track the effectiveness of our marketing efforts.

Our websites are not designed to respond to "do not track" signals received from browsers. To learn how to opt out of ad network interest-based advertising in the U.S., please visit www.aboutads.info/choices, <http://www.networkadvertising.org/choices/>, and <http://preferences-mgr.truste.com/>.

We do not sell or otherwise share personal information about you except as described in this Privacy Notice. We may share your personal information with (1) our affiliates and subsidiaries and (2) our service providers who perform services on our behalf, such as order fulfillment and data analytics and storage. We do not authorize our service providers to use or disclose the information except as necessary to perform services on our behalf or comply with legal requirements. We also may share personal information with our business partners (1) with whom we jointly offer products and services; (2) to the extent you use Ring+ to connect to third-party products or services; and (3) for payment transaction and fraud prevention purposes.

We also may disclose information about you (1) if we are required to do so by law or legal process (such as a court order or subpoena); (2) in response to requests by government agencies, such as law enforcement authorities; (3) to establish, exercise or defend our legal rights; (4) when we believe disclosure is necessary or appropriate to prevent physical or other harm or financial loss; (5) in connection with an investigation of suspected or actual illegal activity; or (6) otherwise with your consent.

We reserve the right to transfer any information we have about you in the event we sell or transfer all or a portion of our business or assets (including in the event of a merger, acquisition, joint venture, reorganization, divestiture, dissolution or liquidation).

Ring+ Service

Through our Ring+ service, you may choose to connect to certain third-party services offered by our business partners. To activate a connection and allow the Ring products and services to interface with an available third-party service, each Ring+ connection requires the exchange of certain information between Ring and our business partner that is

providing the third-party service. For example, to enable you to integrate Ring's products and services with those of our business partners, we may share certain account information with those business partners, such as your account ID and email address. In addition, we may share certain data our products collect from their surrounding environment that is necessary to perform their functions (such as motion or events outside your door). In each case, we will engage with a given third-party service only if you choose to activate such a connection. You may revoke a connection to a third-party service at any time by contacting Ring at privacy@ring.com or, depending on the particular third-party service, accessing your settings under your account with that service. The privacy statements of our business partners apply to any information practices of those partners and to the information shared with them.
